Grade 2 - Scrapbooking

Preserving Life's Memories in Words and Pictures

During this program, participants will be able to create a scrapbook page of a selected theme, such as, birthday, family vacation, and family holiday. It is time for families to reminisce and keep the shared experiences alive through the pages of a scrapbook. The program encourages families to think about and tell stories to one another. Also it could be a time to share it as a literacy event.
