## The PACT Programs

Parents and Children Together

Learning ☆ Exploring ☆ Bonding

*An 8-part series of educational programs designed to bring parents into their children's educational environment to help nurture and strengthen the educational relationship between parents and their children.*

### Grade 3 - Show Them the Money

During the program, students will learn that you are lucky to be able to earn money doing something that you like or that helps other people. Included are the chores that help others in the house and then you can receive payment for completing tasks. Also, parent and child will discuss good skills for shopping and staying within the budget. An exercise will be conducted on how to plan what to buy with only a certain amount of money such as, groceries, or party supplies etc. Further opportunities will arise for the concept of credit cards and borrowing money with interest. Finally, one will learn that saving money is important for the future and developing a habit of saving a portion of allowance and gifts and putting it into a saving account. Then, teaching that money will grow through compounding interest.
